A day out for members, family and friends of the two railway societies on Thursday 13th June 2019.

The extension of the **Gloucestershire Warwickshire Steam Railway** to Broadway in 2018 extended the route to over 14 miles. There are stunning views of the Cotswolds to the south and east and the Malvern Hills to the west. It passes through a 693 yard tunnel at Greet and over a 15 arch viaduct at Stanway.

Travel by own transport to Toddington Station where we will join the 10.00am Cotswolds Express to travel to the southern terminus at Cheltenham Race Course. On the return journey we will alight at Winchcombe for a Guided Tour of the GWSR Carriage & Wagon Works before continuing the journey to Toddington for a Guided Tour of the Loco Shed (donation at end of tour).

The rest of the day will be free for a trip to the northern terminus at Broadway on GWSR service trains, visiting the lovingly recreated stations, browsing the gift shops or taking refreshments in one of the station cafes and tea rooms. Refreshments will also be available in the buffet car or buffet counter on most trains.

Please note the **guided tours** are **not suitable** for wheelchair users or those with difficulty in walking and are limited to a **maximum of 20 persons**.

*Members and friends are requested to book as soon as possible using the attached form which should be returned with remittance to RRIG Secretary, **Basil Owen, 10 Southmead Crescent, Redditch, B98 7BX***

Further details from David Morgan (tel. 01527 893408) or Basil Owen (tel. 01527 63842)
